THE LIBRARY BAR

Re-imagined and re-modelled in 2017
by interior designers Andy & Lindsey

As you will see within the personal effects of the
beautiful Library bar, the Lampard family
have exploration in their bones.

Through their various careers they have explored, trekked and
designed in some of the most remote and unusual parts of the world:
from hotels in Bandra, to houses on Diani Beach,
species discovery in General Zaragoza Nuevo Leon,
to plunging the depths of mountain ravines in Borneo...

However exciting the trip,
it is always coming home and telling their stories that they enjoy the most
and what better way to do that than with a wonderful drink!
